Headline:
Mostly wet and windy, but bright spells tomorrow afternoon.

This Evening and Tonight:
Cloudy this evening, with outbreaks of rain, occasionally heavy, affecting most areas for a time. Tuning dry overnight as rain clears to the north, allowing a few clear spells to develop. Strong southerly winds, yet mild. Minimum temperature 6 deg C (43 deg F).

Thursday:
A cloudy and wet start, as a band of heavy rain crosses the region through the morning. Brighter by the afternoon, with sunny spells and a few blustery showers. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:
Outbreaks of rain, locally heavy, and strong winds on Friday. Wet again on Saturday, with winds strengthening later. Calmer, with sunshine and showers on Sunday. Very mild this weekend.
